REMARKS

In the Office Communication dated October 10, 2001, the Examiner contends that Applicants failed to submit a computer readable copy of the Sequence Listing for the above-referenced application which was submitted in a Preliminary Amendment on October 11, 2000. Applicants respectfully point out that a return postcard was submitted with the Preliminary Amendment which indicated that both a paper and computer readable copy of the Sequence Listing was submitted and this return postcard was stamped as having been received by the PCT/PTO on October 16, 2000. There is no indication on the postcard that the computer readable copy of the Sequence Listing was not received. Therefore, Applicants assert that the computer readable copy was received.

Nonetheless, Applicants submit herewith another computer-readable copy of the Sequence Listing in order to comply with the Sequence Listing requirements. In addition, for the Examiner's convenience, Applicants also submit herewith another paper copy of the Sequence Listing.

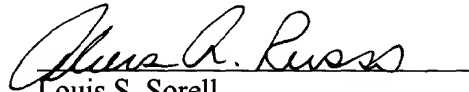

I hereby state that the content of the paper copy of the Sequence Listing previously submitted and the paper copy enclosed herewith as well as the computer-readable copy of the Sequence Listing enclosed herewith in accordance with 37 C.F.R. §§ 1.821(e) are the same.

I hereby state that the paper and computer-readable copies of the Sequence Listing enclosed herewith in accordance with 37 C.F.R. § 1.821(f), do not include new matter.

Applicants believe that no additional fees are due. However, if additional fees are required, the Commissioner is hereby authorized to charge the payment of any fees to Deposit Account No. 02-4377. Two copies of this communication are enclosed.

Applicants also enclose a copy of the Notice to Comply.

Respectfully submitted,
